his volume analyses adult education and lifelong learning as international phenomena, which have a strong influence on professionals working in this field. Based on the 2016 Würzburg Winter School, the book identifies influences on policy at local, national and international levels. It examines the internationalization of adult education and emphasizes the emergence of different dimensions of professionalism in adult education.

**CONTENTS:** Adult learning • The context of international policies • Frames of professionalization in adult education • International dimensions of adult education professionalism.

**REGINA EGETENMEYER** is professor of adult and continuing education at the University of Würzburg, Germany. Her research focuses on cross national comparative adult education, professionalization in adult education, lifelong learning, and mobility for learning purposes.
